### **Hurricane Katrina/Rita Disaster Recovery Certification**

By Executive Order No. KBB 2005-33, issued on September 12, 2005 by Governor Kathleen Blanco, amended by Executive Order No. 2005-47, and amended by Executive Order No. KBB 2005-72, the following healthcare practitioners have been certified to provide emergency medical services on a volunteer basis, as long as they possess a current license in good standing in their respective state or country of licensure and that they practice in good faith and within the reasonable scope of his or her training, or ability, including but not limited to, within the Department of Health and Hospitals operated and sponsored shelters and other Department of Health and Hospitals managed medical operations through Saturday, December 31, 2005.

Healthcare practitioners, who intend to provide medical services on a voluntary basis only, to the state of Louisiana by authority of the above mentioned Executive Order, shall submit a copy of his/her license to practice in another state and photo identification to their respective licensing authority. You may e-mail [LSBMEVER@LSBME.LOUISIANA.GOV](mailto:LSBMEVER@LSBME.LOUISIANA.GOV) for additional information or request forms from (504) 568-6820 ex.230 or fax (504) 568-5754. Any and all practitioners under the jurisdiction of the LSBME providing medical care other than on a voluntary basis must obtain licensure by reciprocity.

The Louisiana State Board of Medical Examiners takes this opportunity to thank all providing voluntary medical services to the citizens of the state of Louisiana in this time of need.
